

STONEHAM HIGH SCHOOL
STONEHAM, MASSACHUSETTS

November 16, 2020
Day 5

Bulletin #43

Full Remote

Stoneham High School will stay in a Remote Learning Model for approximately two weeks, with students scheduled to return, if it is appropriate to do so to a Hybrid Learning Model on Monday, November 30, 2020. In addition, the remainder of the fall Stoneham High School sports season will be cancelled.

During this two-week period, teachers will be providing instruction via the Remote Learning Model and following the remote schedule. Mr. Lombardi will be providing further information via email. Special Education students should refer to the remote portion of their SPS COVID 19 Special Education Learning Plan 20/21 School Year that they received at the beginning of the school year for service schedules and links.

While at home, we ask that you continue to follow the public health recommendations for the prevention of the spread of COVID-19, such as social distancing guidelines, mask wearing and hand washing. During this time, we all need to do our part to stop the spread of COVID-19. Our ability to return to the Hybrid Learning Model for Cohorts A, B and C at high school depends upon our whole community's compliance with public health recommendations
