

# Principal's Message

12/6/2020

Greetings,

This weekend's nor'easter certainly provided the weather to remind us that winter is here and that the holidays are just a bit more magical with the ice and snow.

I hope this mailing finds you healthy and safe as we enter our fourth week of full remote. I remind you that our hope is to return to hybrid as soon as conditions safely permit. Please make every effort to do your part with COVID safety precautions as what we each do does make a difference.

Students are encouraged and reminded to continue to actively attend and participate in their remote scheduled classes, grades matter and to engage and meet with teachers for any needed extra academic help and support. School counselors are also available for non-academic support. We are here to assist you for your success and well being.
