

Principal's Message

1/3/2021

Happy New Year! I hope that you had a wonderful and fun Holiday Break, that you and your family members are in good health and I wish you the best for a New Year.

I also hope that the break allowed you time to rest and relax as our return includes a busy winter of academics and extracurricular activities. We enter January for the last four weeks of Quarter Two and the Second Semester. Students are reminded and encouraged to engage with their teachers in their classes or in scheduled meetings for extra help or other academic assistance.

We have a robust Winter Sports season of Boys and Girls Basketball and Hockey and Girls Gymnastics as well as continued band and drama mini productions and club activities. Our ability to continue these events as well as our ability for in person learning is based on our ability to safely facilitate with COVID requirements. It is essential, more than ever, to be diligent in adhering to established COVID Safety requirements of wearing a mask at all times outside of your home, maintaining social distancing and frequent hand washing and sanitizing. Please continue to do your part.
