pm To register visit www.revolutionprep.com/partners/415/

Take a full-length practice test under timed conditions. A proctored practice exam will help your child build testing endurance and give you a real-time snapshot of their testing performance.

This virtual test will give your student the opportunity to work on pacing and endurance in a safe setting that best simulates the test day environment. Students will take the test online

with a live proctor through Revolution Prep, and get a baseline score.

Prior to the test, Revolution Prep will send an email with details on how to access the testing materials, scoring app, and online testing room. After the test scores are received immediately via the Revolution Prep scoring app and you're invited to review your student's scores, for free, with our dedicated academic Advisor at a time convenient for you. During the session, they will breakdown your child's score to understand areas of strength and weakness and develop a custom preparation plan.

Got questions? Contact Revolution Prep Advisor, David Zimbalist at 617.640.0744 or David.Zimbalist@revolutionprep.com
