**SOAR (Students Organizing Against Racism)** is hosting a student panel this upcoming Tuesday, March 23 from 5:30-7pm. *Tackling Hard Conversations: A Student Panel on Cultural Appropriation, Police Brutality, and White Supremacy* will be an opportunity for greater Boston, high-school aged students to take part in "hard conversations" on racism. Our panelists are student volunteers who are engaging in these conversations at their own schools, and are excited to share their thoughts on this ongoing, important discussion. There will be opportunities to pose questions or comments throughout the event, and community members can "attend" via Zoom or by watching on Stoneham TV. All are welcome to watch or participate during this event. Please follow this [link](#) to register, and email [ekaufman@stonehamschools.org](mailto:ekaufman@stonehamschools.org) with any questions.

Take a full-length practice test under timed conditions. A proctored practice exam will help your child build testing endurance and give you a real-time snapshot of their testing performance.

This virtual test will give your student the opportunity to work on pacing and endurance in a safe setting that best simulates the test day environment. Students will take the test online with a live proctor through Revolution Prep, and get a baseline score.

Prior to the test, Revolution Prep will send an email with details on how to access the testing materials, scoring app, and online testing room. After the test scores are received immediately via the Revolution Prep scoring app and you’re invited to review your student’s scores, for free, with our dedicated academic Advisor at a time convenient for you. During the session, they will breakdown your child’s score to understand areas of strength and weakness and develop a custom preparation plan.
