The Principal's Pen

Good Morning Attention all Parents

Dear Parents,

The **safety of our children** is **most important to us**. I ask all parents to abide by the procedures designed to help us accomplish good safety practices. This morning, I observed some violations that could cause potential harm to our students. Please see the list below:

- **No students in Kindergarten through Grade 8** are permitted to be dropped off in the school yard. All car riders, except for Pre-K and siblings are to be dropped off in the Church parking lot.
- Parents, **please do not park along the cemetery fence** and watch you children run to the bus door.
- This morning buses were coming in the school yard due to the rain. Pre-K 3 parents were dropping students off at Mrs. Bauder's door as we asked them to do so yesterday in the Principal's Pen. Yet, some parents still were letting students off in the school yard and allowing their children to run across the school yard to enter the building
- **Please ...Please...Please** do not put your children in this potential danger.

Many thanks to the Pre-K parents who followed the new procedures today. We hope this helped your wait time in the morning car line.

We are **grateful to the many parents** of students in Kindergarten through grade 8 who dropped their children off in the Church Parking lot. **Our Crossing Guard, Bill is faithful to his responsibility for crossing our children at the cross walk.** Please be aware that a teacher is on duty every morning to greet the children as soon as they enter the main school yard.

The afternoon car line in the Church parking lot seems to be working. Again, we will hold the students in Kindergarten through third grade in the yellow lined area until you come to the line to get them. Thank you for making this work.

We will continue to do all in our power to create a safe environment for the children of Mater Dei.

Have a great day! Thank you for your cooperation with the arrival and dismissal procedures.

Most sincerely,

Miss McCaughan
