MOSSY OAK

MAT

...And it's all thanks to you. Together, we are showing that Catholic education matters in our community. Thanks to your generosity, we are inspiring the children of our parishes and communities to be the faithful, Catholic citizens of tomorrow.

It was an incredible year. 525 students in Pre-K to Grade 8. Mater Dei Childcare Center opened. Students ranked in the top 15% in standardized test scores. Program and building enhancements were made. And that's just the beginning...

Faith, Excellence, Service, Community...
the hallmarks of Mater Dei Catholic School

Faith

47 children received the sacraments of Reconciliation and First Holy Communion
44 children were confirmed • 525 students live their Faith daily

Excellence

According to the standards outlined by CAPE, The Council for American Private Education, Mater Dei is recognized as a high-performing school because of our students achievement in our most recent Terra Nova tests

Our children performed in the top 15 percent in the nation in Reading, English Language Arts, and Mathematics

We are extremely proud of our students and their constant pursuit of academic excellence

Service

Mater Dei Catholic School instills a strong faith formation and pride in Catholic heritage.

Students participate in specific activities that reflect Catholic values of social justice and peace in-stilling the value of service to others

Our students live these values when serving our communities at local food cupboards and nursing homes

Global awareness is stressed through our curriculum

Community

Community, the fourth hallmark at Mater Dei, is celebrated through a variety of parent, family, and parish events.

Students show genuine respect and care for one another

Supporting our community's needs, Mater Dei opened a second campus on the grounds of St. Maria Goretti Parish for the young-est of our communities. The brand new Mater Dei Childcare Center is now opened to families with children 6 weeks to 36 months

Annual Giving
