US Senate Passes COVID-19 Relief **March 26, 2020**

Dear Friends of Religious and Independent Schools,

Moments ago, the United States Senate approved a \$2 trillion coronavirus relief package that includes \$13.5 billion for K-12 schools. Thanks in no small part to your advocacy, private schools are eligible for this aid.

More details about the precise nature of the aid will be forthcoming, but it is important to remember that the House of Representatives still has to have its say. Nothing is final at this point. Still, the bill coming out of the Senate includes private schools, and that is good news. We will let you know if advocacy is needed on the House side.

Thank you very much for your responsiveness.

Sincerely,

Michael Schuttloffel
