

## **Welcome from our Principal**

Students, Parents, Staff and Community Members,

Welcome back to another school year at LaVille Jr. Sr. High School. This is my sixth year at LaVille and it has been an honor serving as your Principal. I am looking forward to seeing what great things this year has in store for us!

LaVille Jr. Sr. High School provides a small learning environment with a competitive curriculum and many opportunities for students to get involved. There are approximately 580 students working with a dedicated staff. We offer a one-to-one learning environment where students are exposed to various forms of technology. It is our goal to meet student's needs and prepare them for life beyond high school through career exploration, dual credit coursework, and providing the necessary supports along the way.

I am looking forward to the 2018-19 school year and continuing to work with the LaVille community. This will be an exciting year and I am proud to be a part of it!

Sincerely,

Nate McKeand
