

On Thursday of this week, LaVille Jr. Sr. High School had the opportunity to welcome next year's incoming 7<sup>th</sup> grade class, the Graduating Class of 2025. This group of students had the opportunity to experience how the lunch process works, meet some of their teachers for next year, open lockers, received a tour of the school and had a chance to hear from and ask questions of some older students. Later that same night, many of these students and their parents joined us at the school for 7<sup>th</sup> Grade Orientation. At this meeting, students and parents were given useful information about making the transition from LaVille Elementary School to LaVille Jr. Sr. High School. It was great getting to meet these students, their parents and having the opportunity to ease some of the anxiety about making this transition.

LaVille Jr. Sr. High School also held Parent/Teacher Conferences on Thursday night. I want to thank those that attended and appreciate your continued support for your children and the teacher's working with your children. We hope to continue offering these events to help bridge the communication gap between home and the school and encourage the attendance of every parent.

The LaVille Athletic Booster Club is offering two scholarships for senior athletes this year. These two seniors will be awarded \$500.00 scholarships that are non-renewable. I am including a link to the application packet following the Weekly Update link. Interested seniors will need to complete the application and essay to be submitted to the Guidance Office no later than Wednesday, April 24th. Applicants must be in the LaVille graduating class of 2019, participated and completed at least one season with a LaVille athletic sports team and must be enrolling in a 2 or 4 year college, a technical school, a trades program or a branch of the military.

LaVille Elementary PTO is also offering non-renewable \$500.00 scholarship for two seniors. The requirements for the scholarship are that the students attended the elementary for at least one full school year, are planning to attend a university, college or trade school after graduation and must be a graduating senior from LaVille Jr. Sr. High School. The application form and an essay must be submitted no later than Monday, April 22nd to LaVille Elementary School at the attention of the LaVille Elementary PTO. I am including a link to the application following the Weekly Update link.
