- JSB tickets (later orders for May event)
- Senior retreat (later orders for May event)

June

IMPORTANT: *year-end report cards (and diplomas for seniors) are not released until account has been paid in full. Families with potential for any of the following charges are encouraged NOT to wait until June to pay any balance due but to plan to either estimate and pay ahead or pay the charges as soon as they are posted to the billing system in late May:*

- Bus billing – April bus rides
- Bus billing – May bus rides
- Fines for missing or damaged school resources assessed at year-end checkout (iPad-related, textbooks, uniforms)

Variable timing—

Various other potential charges typically billed in first available invoicing cycle after event include, but are not limited to: Sports team banquets or other special team events, class field trips, Club dues/charges, iPad repair charges, additional PE or Weights clothes, additional Spirit Store items, additional fundraiser purchases billed, Senior lunches, Freshman Social, Sophomore Social, test proctoring fees, late or missing uniform charges, late or NSF payment charges, replacement book fines, school event tickets billed, additional cheerleading expenses, etc.

Re-enrollment fee timing:

The annual re-enrollment fee is *not* billed to the family account but is collected online separately during the parent-completed RenWeb re-enrollment process. Berean re-enrollment is open January—February at the regular rate (per the Tuition & Fee schedule), and while Berean encourages and appreciates completion of re-enrollment as early as possible, we understand some families may need to time its completion, which includes payment of the fee, according to their other financial obligations, hence the 2-month window of opportunity at the regular rate. But note that **after February 28, the re-enrollment fee increases by \$100 AND student's enrollment slot is no longer guaranteed.**
