

# BEREAN CHRISTIAN ATHLETICS

## Student/Athlete Driver Form

Students who drive may, when allowed by the coach, drive to local athletic contests. In addition, there are several team sports that practice off-campus during the school year. We are asking parents to specifically give their child permission to drive or be driven by another student to these as well.

Please understand the following: Student drivers are governed by California state law. Students must have a “clear” driver’s license, free from provisional restrictions in order to transport passengers. Students with provisional licenses may NOT transport other students under ANY circumstance.

I, give permission for my son/daughter to drive or be driven by a teammate to or from practice/contests where there is not school transportation available.
