

# BCHS Senior Lunch Privilege Permission Slip

Seniors are allowed to go off campus for lunch during scheduled Purple Bell days during the school year provided that the school has this completed form on file. Note: Academic probation, disciplinary action, or misuse of the off-campus privilege will result in its being revoked at any time.

To grant permission for your student to go off campus for Purple Bell lunches, please check the following boxes, sign below, and return this form to the school office. The first 3 boxes are required for your student to be able to leave campus.

**PLEASE READ ALL BOXES CAREFULLY AS EACH CONSTITUTES YOUR EXPRESS PERMISSION AND/OR LIABILITY. CHECK ALL BOXES THAT YOU AGREE TO:**

- I, the parent/guardian of **(PRINT STUDENT NAME)** \_\_\_\_\_ hereby give my permission for my student to leave campus during lunch on Purple Bell days during the 2020-2021 school year (except the special Senior Class lunches which require permission on a separate form). I understand that BCHS is not responsible for my student's safety during their absence from the school campus.
- For safety and liability reasons, I understand that my student **MUST** sign out and in with the parking lot lunch duty teacher or the school office every time they leave campus during lunch. Failure to sign out or it will result in 3 demerits per the Parent Student Handbook.
- I understand that my student must return to campus with enough time to sign in and get to class on time. Tardies will be recorded for any students who are late to class after an off-campus lunch.
- I give my permission for my student to ride with another student to go off campus for Tuesday lunches (special Senior Class lunches excluded). I understand that the school does not assume responsibility for my student's safety and that it is my student's responsibility to follow California state law in regards to Provisional Licenses. (Note: this box must be checked for your student to be a passenger with another student driving off campus.)
- I give my permission for my student to drive other students off-campus for Purple Bell lunches (special Senior Class lunches excluded). I understand that my student must have a "clear license" (**not Provisional**) according to California state law and that my student and our family assumes all responsibility and liability for driving passengers.

**Please note:** This form does not apply to special Senior Class lunch events (typically occurring twice per year- dates TBD). On those days, the entire Senior class will go together to a specified lunch destination under Berean supervision. If your student chooses not to participate in those events, they are **not** permitted to go off-campus for lunch on their own on the day of those events.
