Polaris Tech Charter School Closing in Preparation for Hurricane Dorian

By executive order, South Carolina Governor McMaster has announced that public schools in several counties, including Jasper County, will be closed in preparation for the evacuation due to Hurricane Dorian. Beginning on Tuesday, September 3rd, Polaris Tech Charter School will be closed and will remain closed until further notice.

Once the evacuation order has been lifted and re-entry has been completed, school officials will inspect the facility to ensure that building utilities are fully operational and all hazards have been removed before the school is re-opened. After the storm passes, Polaris Tech will provide additional updates which will be communicated via the website, local news stations, email and Facebook.

Please take care!
