Laptop Permission Form

Date: _____

Dear Parent and Guardian:

I am writing to advise you that your child(ren), _____, has been given permission to take home his/her school laptop and charger. Please remember to adhere to school policies as it relates to the laptop expectations and norms agreement signed by the parent as well as the student. The student will be expected to bring back the laptop and charger when the duration of home use that was set forth by administration has expired.

In any event the laptop or charger is damaged or stolen, the parent will be held accountable for full cost and replacement of school property (laptop and charger).

Please contact my assistant, Daquan Washington, at (843) 645-0605 if you have any questions or concerns.

Sincerely,

Sonya Bryant, Director of Programs
