Re: Instructional Materials for Students during School Closing

Dear Port Jervis Learning Community,

Our faculty and staff have worked hard to plan, develop, and provide our students with meaningful learning activities throughout the closing of schools. While there is no substitute for the teacher-student instruction and learning that takes place in each of our classrooms each day, these activities are meant to minimize the loss of momentum and progress our students and teachers have worked hard to attain.

Parents may pick up the materials from your child’s Main Office between 8:00 AM and 3:00 PM on Wednesday, March 18. The learning materials will also be available for pick up during the meal distribution times of your child’s school building. If you are unable to pick up the materials during the above times, please contact your child’s Main Office.

Thank you for your support.

Mike Rydell
Superintendent of Schools
