JUNE 2021 REGENTS EXAM REGISTRATION FORM

NYSED has announced that **only** four Regents Examinations will be administered in June 2021:

- Algebra I
- Living Environment
- Earth Science
- English Language Arts

In addition to the reduction of Regents Exams being offered, the Board of Regents elected to waive Regents Exams as a graduation requirement for this school year. Specifically, students who meet **one** of the following eligibility requirements are exempt from the Regents Exam:

- *Currently enrolled in a course that ends in a Regents Exam and earns course credit (passed the course)*
- *Previously earned course credit in a course leading to a Regents Exam, but has not yet passed the Regents Exam.*

If your child is currently taking Algebra I, Living Environment, Earth Science or English Language Arts and you would like for your child to take the Exam despite this exemption, please complete and return this form to your child's Guidance Office.
