**WORK HARD
RESPECT OTHERS
PORT PRIDE**

Dear PJMS Community

While this year has been challenging, it's also (recently) been super exciting to have our students back in the building and enjoying each other, their teachers and staff.

As we head into the 4th Marking Period we remind students to check their grades and emails, meet with teachers and counselors and attend AIS.

NYS Assessments

The ELA and Math assessments are (CBT) computer based tests and both have been reduced from two sections to one section. The length of the one section is approximately one class period which will be incorporated into a regular school day. Our schedule for testing is:

7 th & 8 th Grade ELA	April 27
7 th & 8 th Grade Math	May 11
8 th Grade Science	June 8

Students who are **all remote** are not expected to come to the building for testing. However, if interested in participating, please call the PJMS Guidance Department.

If parents or students have any questions or concerns about any of the assessments please call the PJMS Guidance Department.

Requests to opt-out of any assessments must be received in writing to the PJMS Guidance Department prior to the testing day.

Peace

Jean Fazzino Lain
