*All the world's a stage,
and all the men and women merely players:*

And one person in time plays many parts."

As You Like It
William Shakespeare
Act II, Scene VII

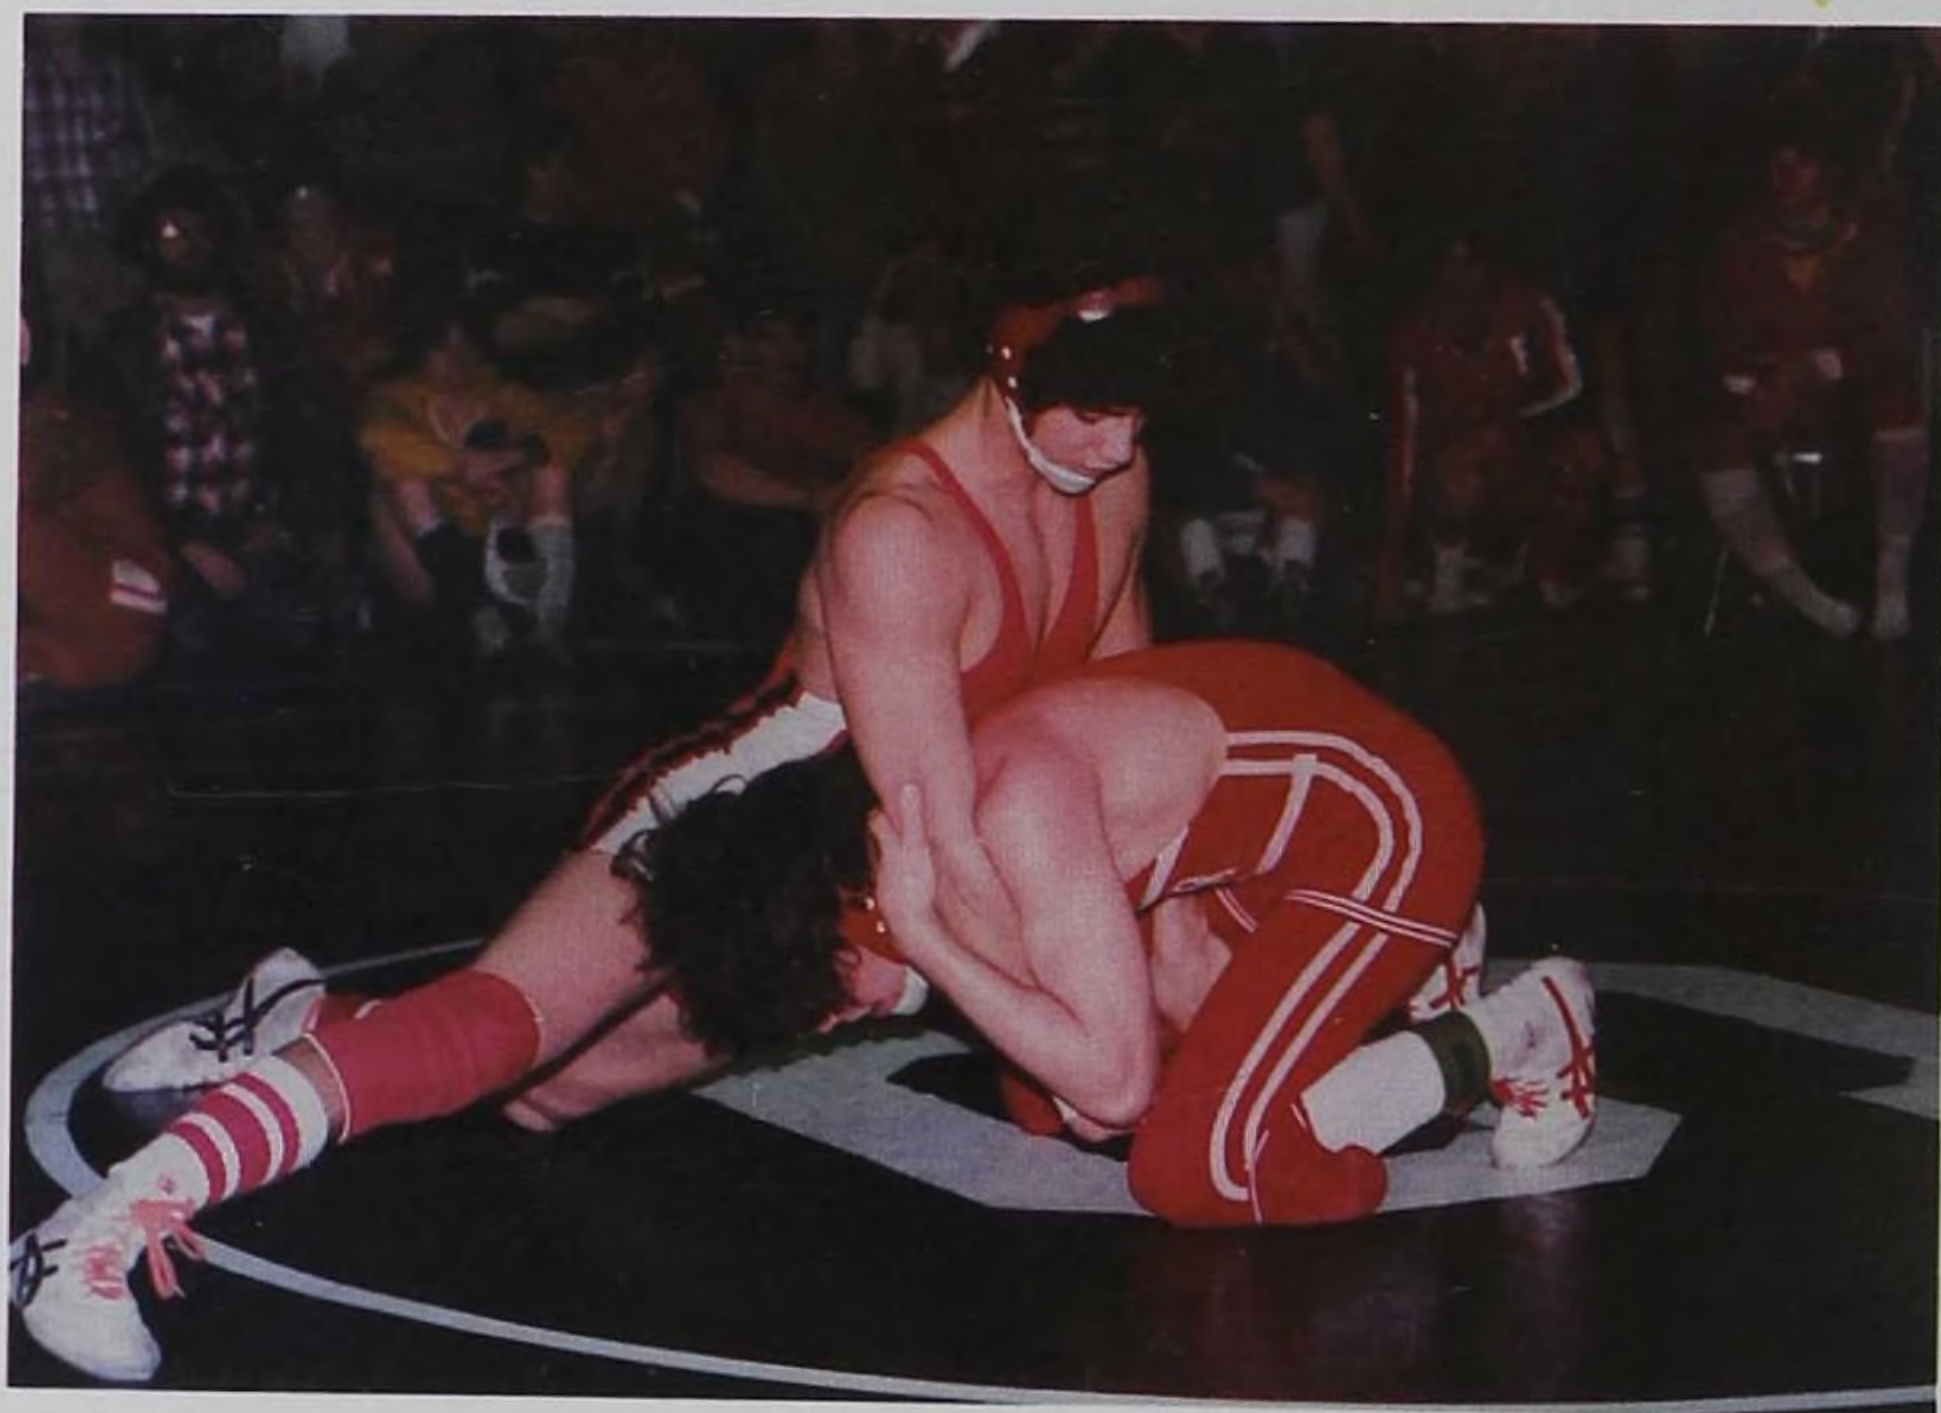

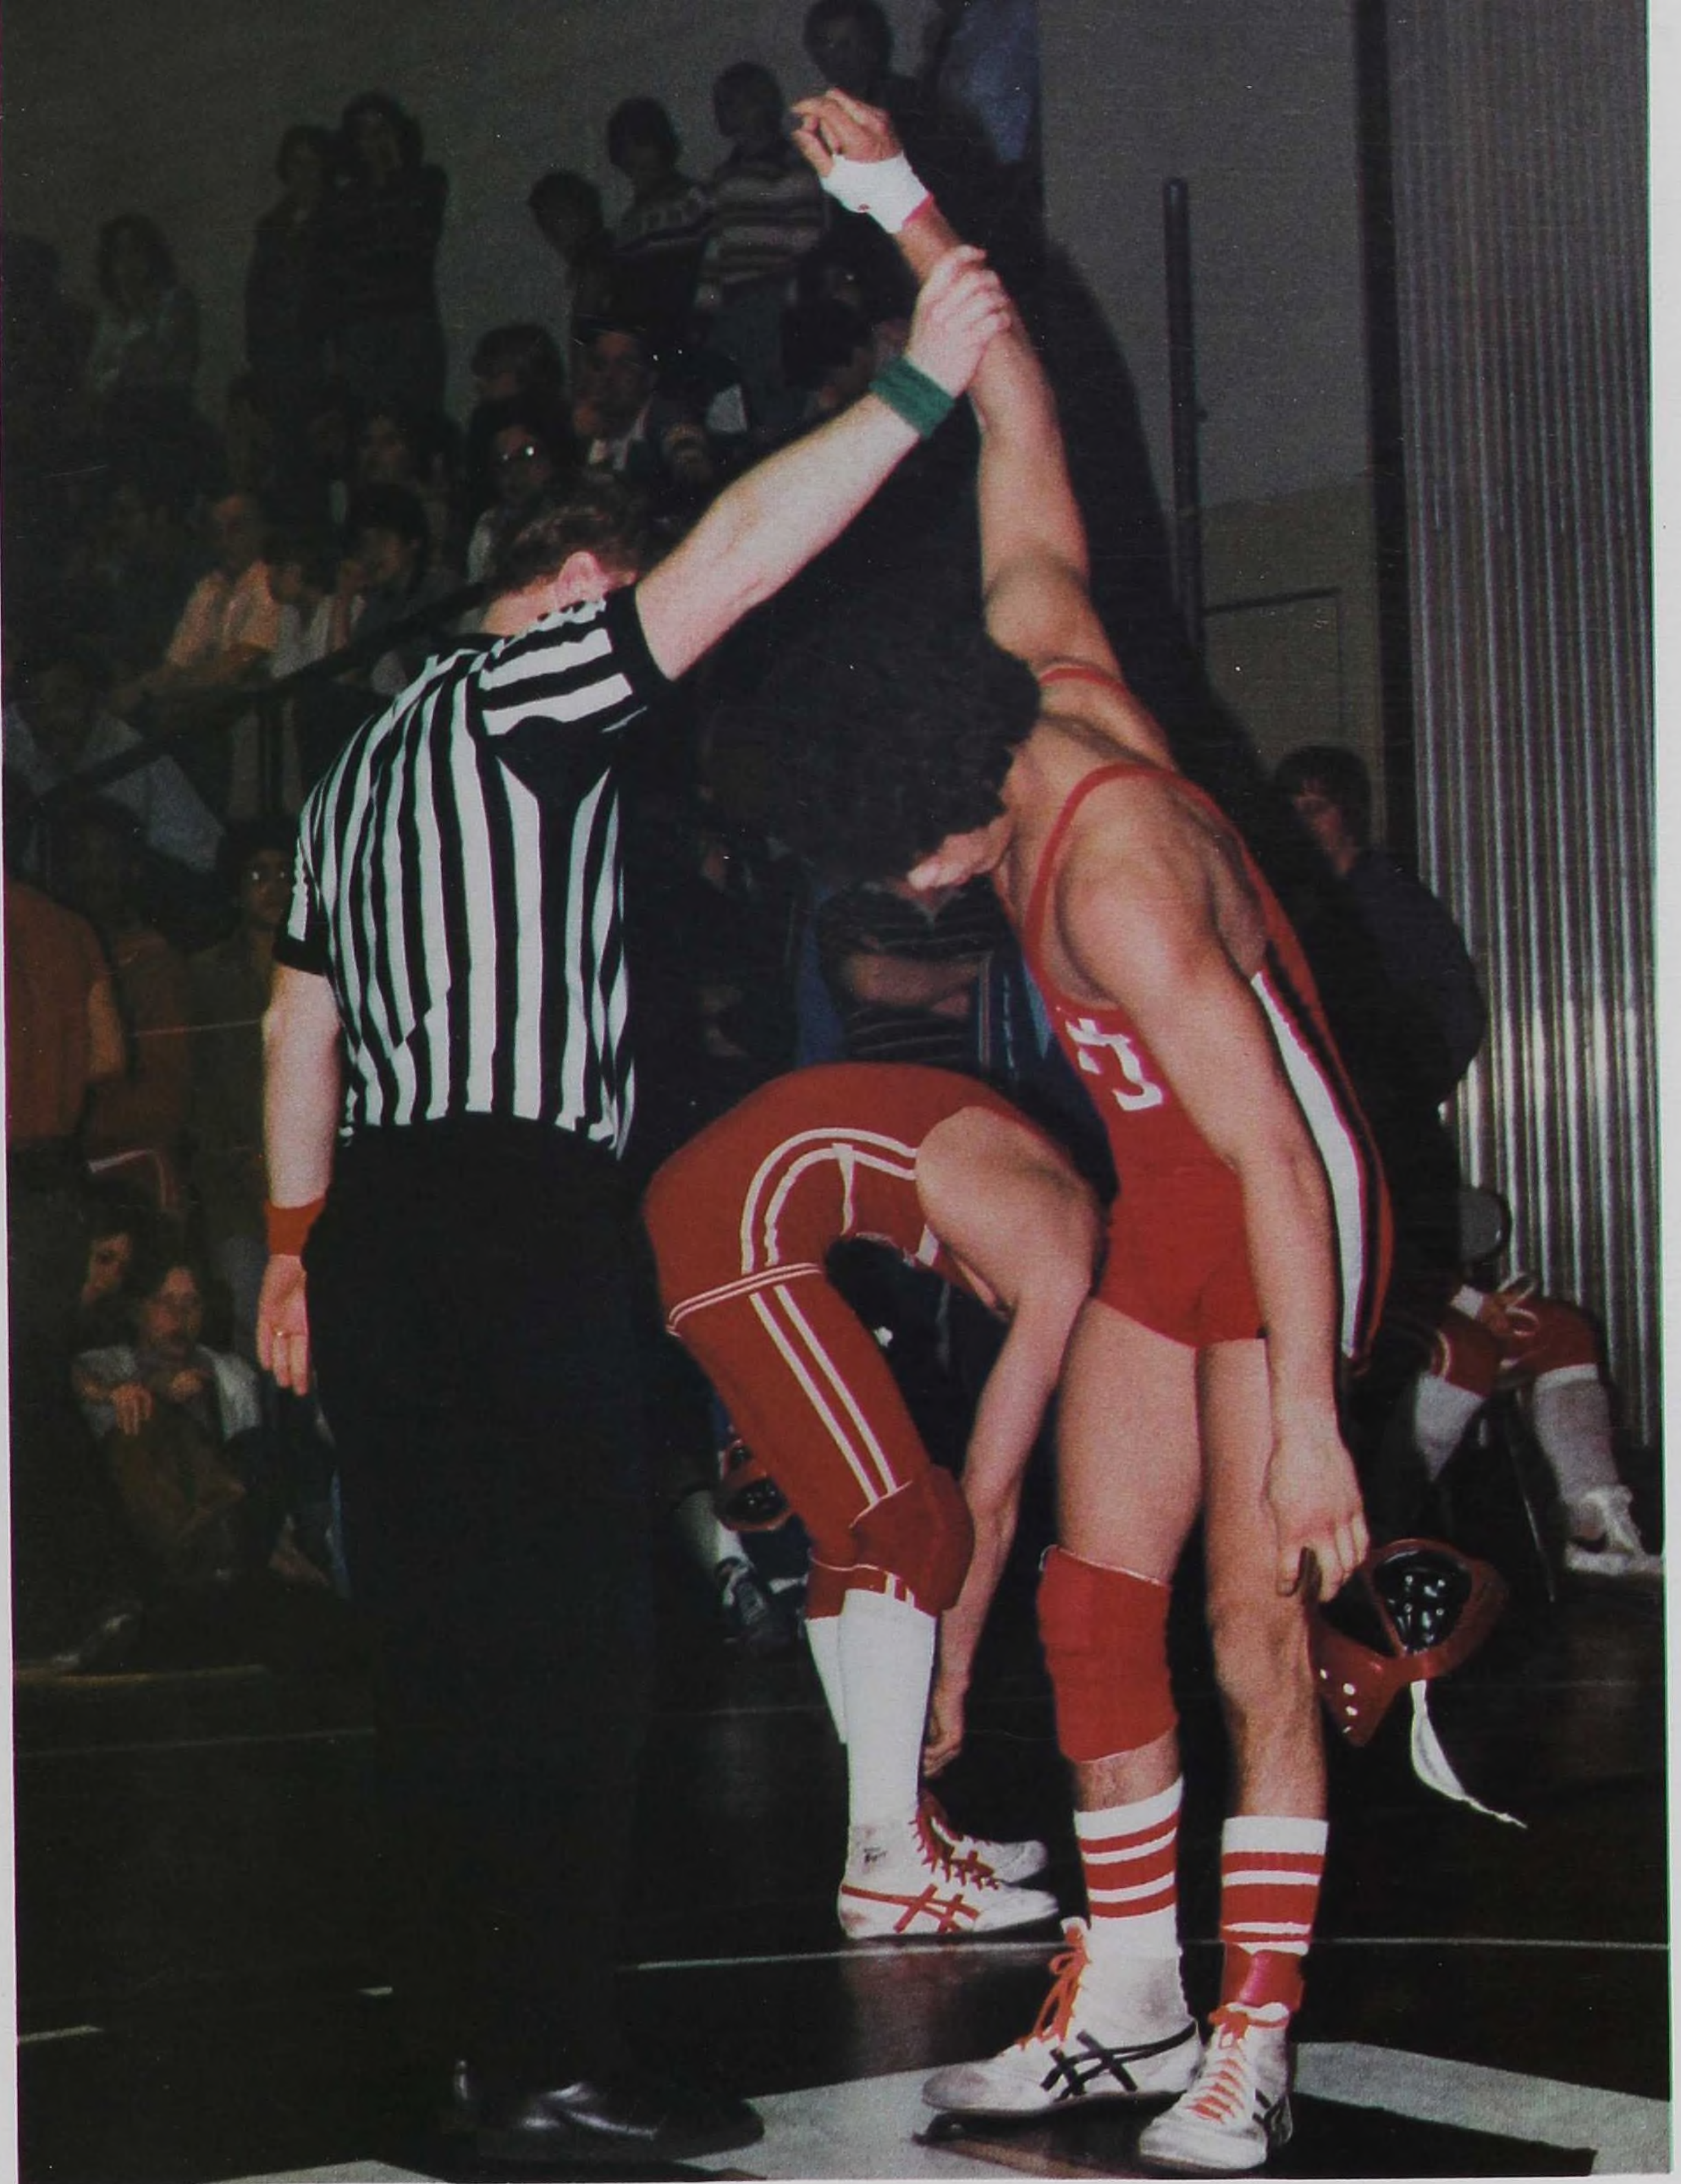

*Alone
life
is impossible,
together
even
the simplest
moments
are filled
with happiness.*

*Life is a game to be played
not to be watched from the sidelines.*

*And it was
just another year,
but once in a lifetime*

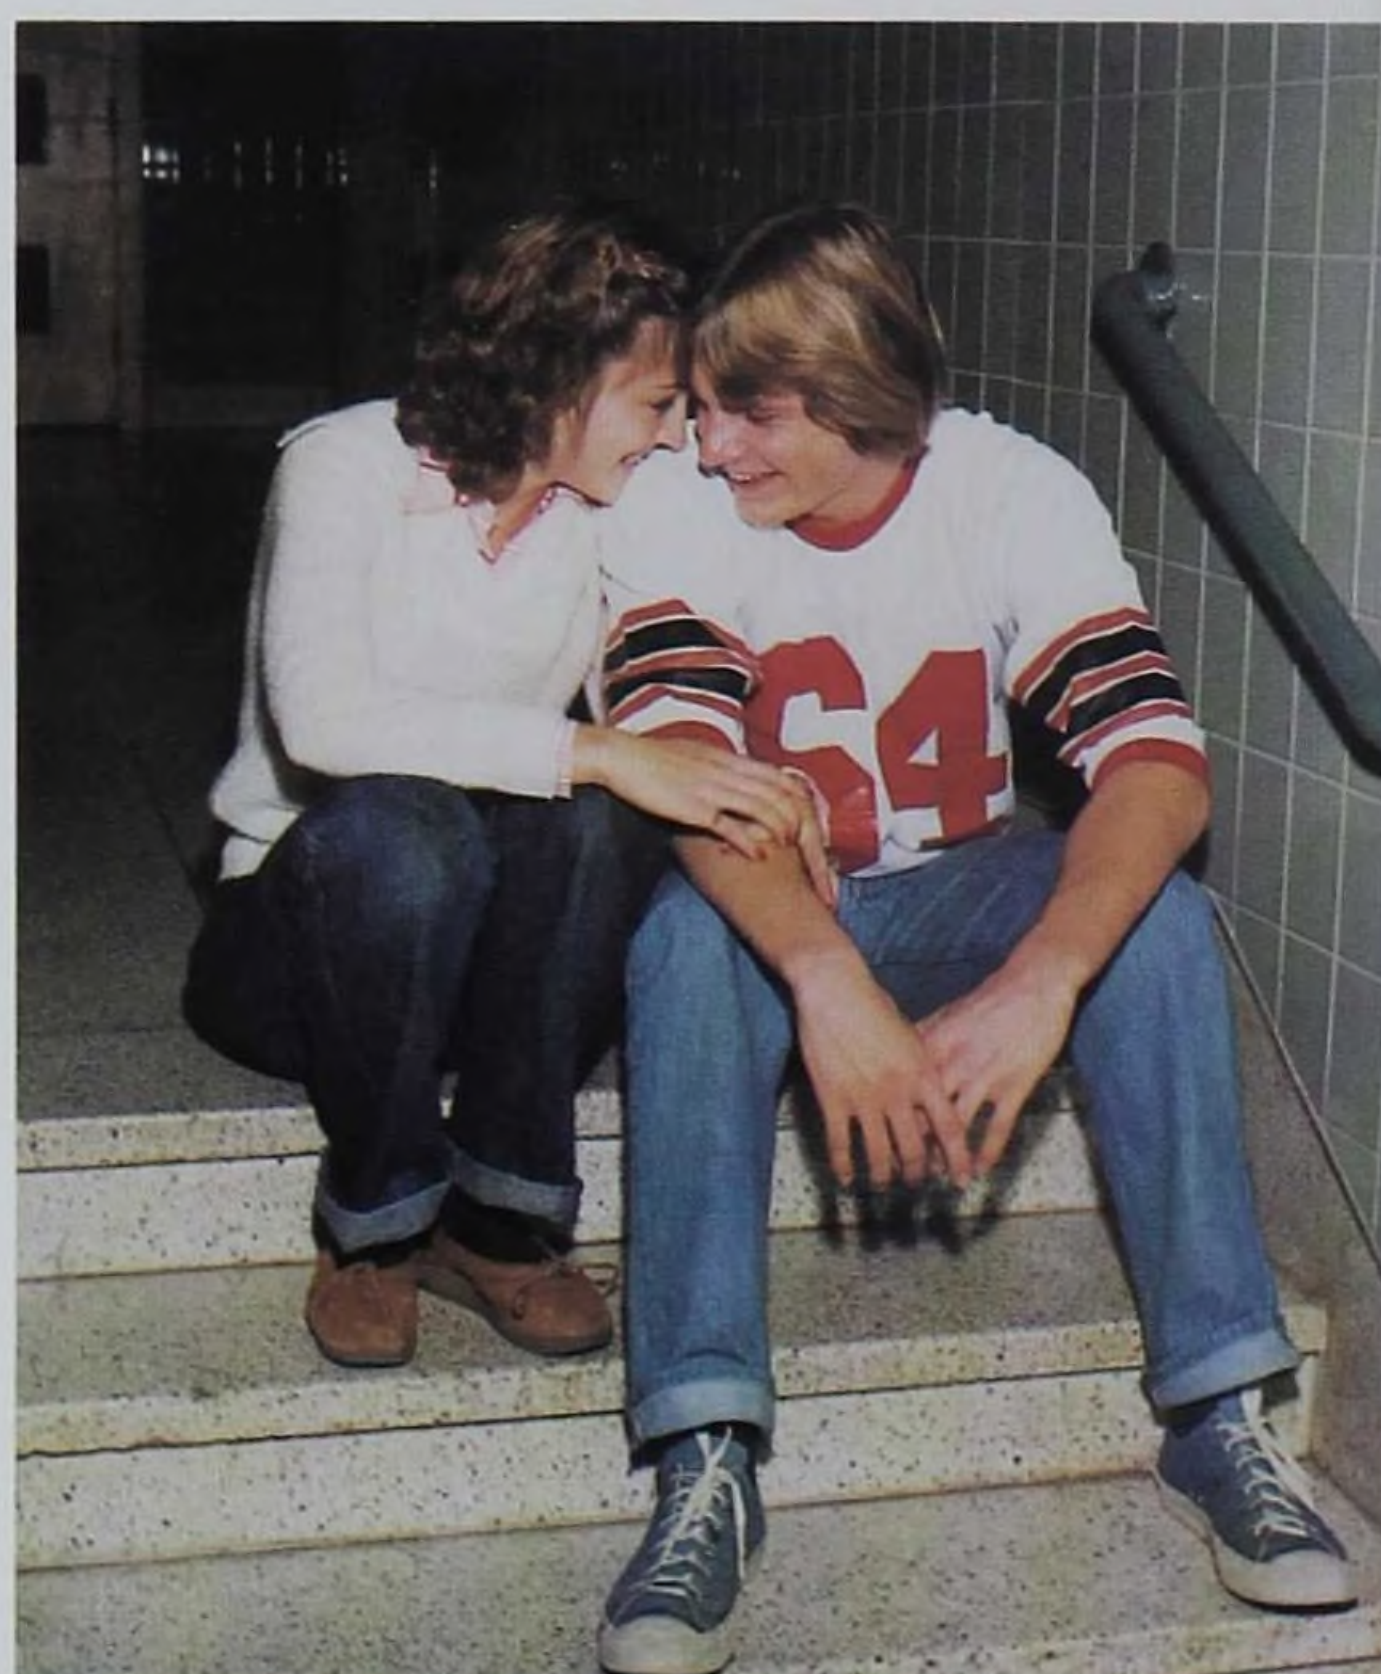

*and so very special
for having been ours.*

Girl's Tennis

Team Record: 6 - 10.

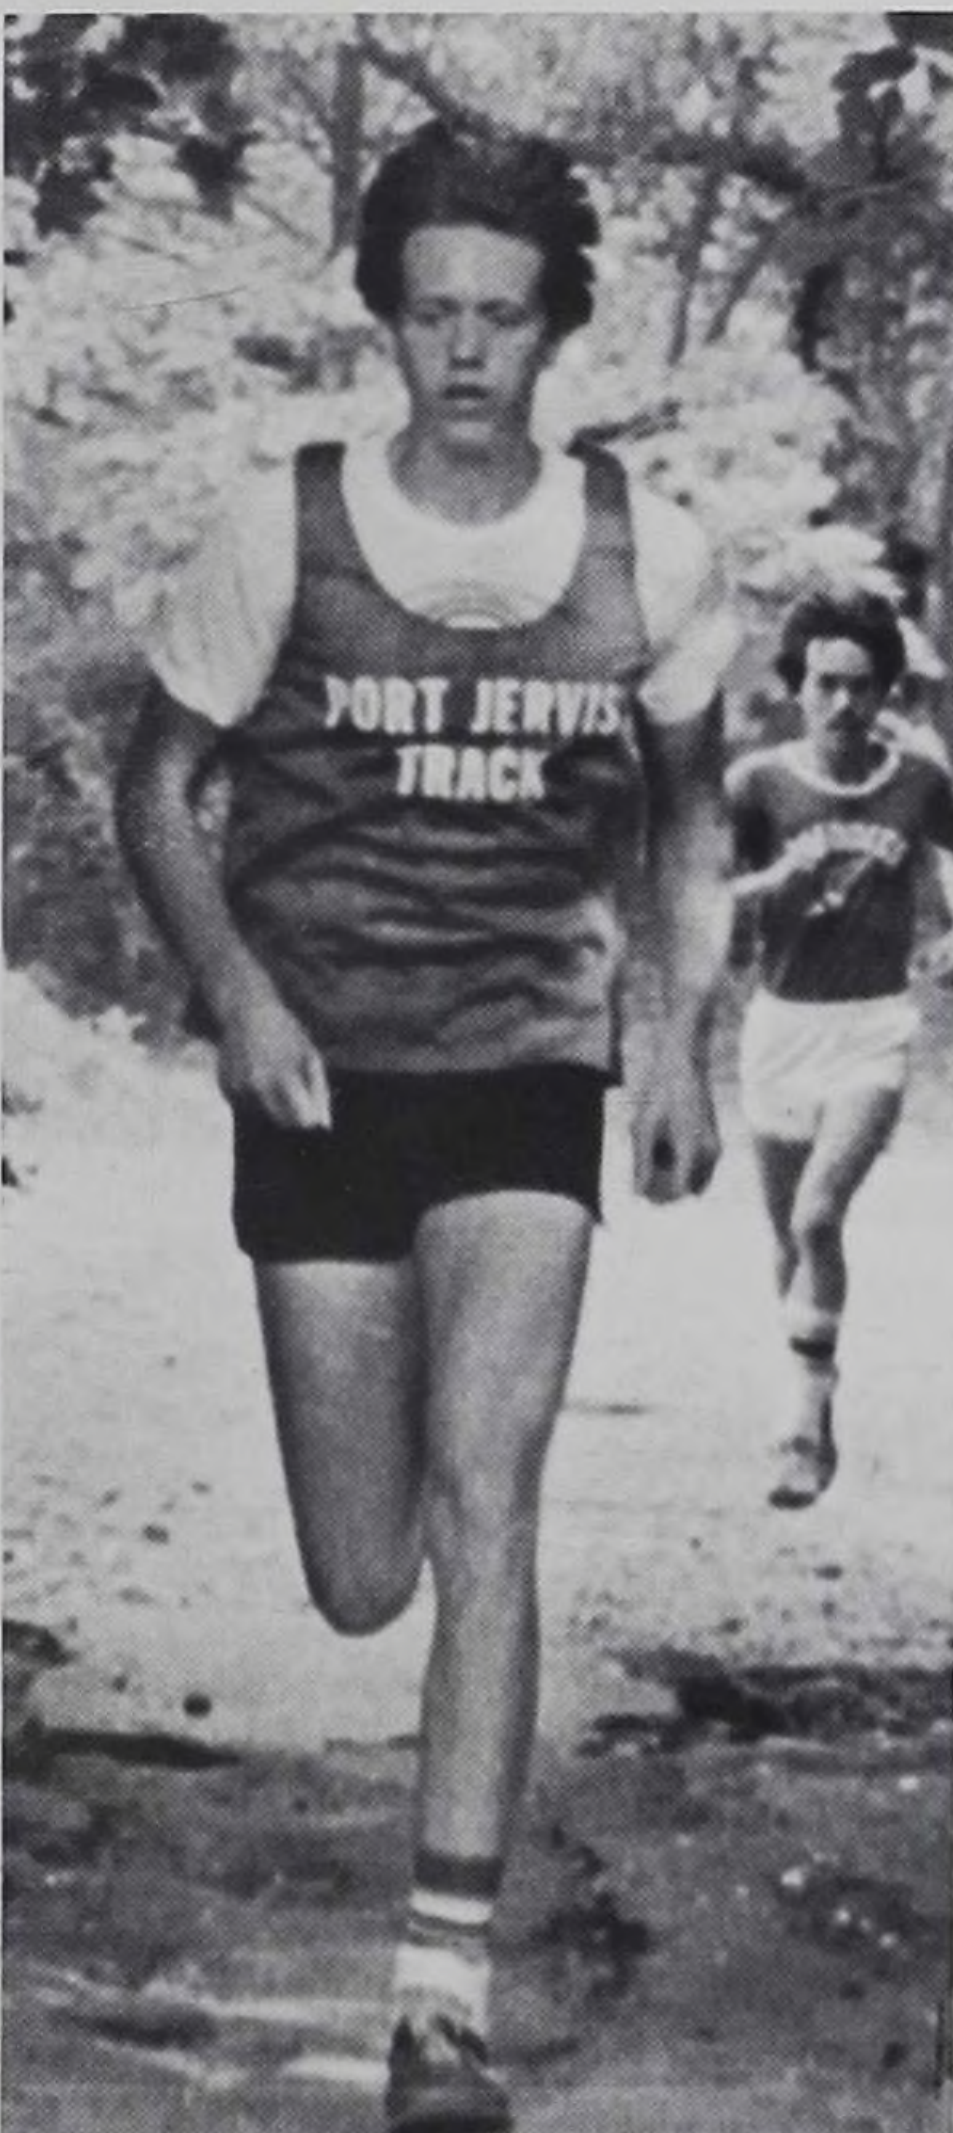

This was a rebuilding season with a team comprised mostly of freshmen. The team record does not display the quality of tennis which was played. Many of the matches were lost by one - point margins.

Under the guidance of Coach Helen Ferris, the young members of the team improved immensely and the veterans became more consistent. At one point in the season, the team had four straight victories which climaxed with a 7 - 0 victory over Warwick. With losing only one player to graduation, the future looks promising for tennis.

Team members include: Captain; Santa DeNella, Marie Lehr, Sue Sweet, Sharon Lehr, Jeanne Horvath, Wendy Lee, Diane Lindsay, Denise Lindsay, Chris Cassaro, Kim Schultz, Nicolla Peil, and Robin Schultz.

One of the areas where many students spend a good portion of their time is the library. The library serves many purposes. Besides providing a quiet place for students to work, the library also has various other advantageous resources.

Mr. John Hamor, our Librarian, with the help of **Mrs. Marge Pomes**, his aide, is always willing to help each student find needed materials for research. Such references include: micro-fiche, magazines, encyclopedias, newspapers, and films which are all readily available.

Without the "outside the classroom" knowledge gained through the library we may not have succeeded in these past four years.

Friendships

Many chance acquaintances are met from day to day. Many fall in step with us along life's winding way . . . But only one can ever bear the sacred name of friend — the one who with unfailing love keeps faith unto the end.

Time alone can prove the worth of friendships. Time's the test. As time goes by, we find we lose the false and keep the best . . . Friendship that is real and true and worthy of the name, changes not; through joy and sorrow, it remains the same.

*If you'll remember always
There's no goal you can't achieve
If you'll try your very hardest
And above all else, believe—
Believe that you're a person
Who has something good to give—
Believe that you can make this world*

*A better place to live—
If you'll believe you're needed
And that others like you, too
Then you're sure to find
there's nothing
In the world you cannot do!*

Hold Fast To Dreams,
For If Dreams Die,
Life Is A
Broken-Winged Bird
That
Cannot Fly.

Love,

MOM, POP AND FAMILY

We are all together now
remembering happy times . . .
We laugh at jokes that never grow old
and frown with thoughts of past loves not forgotten.
We share joys and tears of yesterday
wishing they had never ended,
but we know we must move on.
We all have a big life ahead of us
and these past years were only a sample
of what is now ahead.

The time is upon us to say good-bye
and for each of us to go our separate ways.

This book will hold all the memories
of our past together.
So in years to come we can look back
and remember.

Kelly Guinn
