## Integrated Preschool Program

The Littleton Public Schools offers Integrated Preschool classrooms for students, ages 3-5 who require special education services, and those who do not. Instruction for all students focuses on a variety of skill areas including language, pre-reading, math, gross motor, fine motor, social and emotional. The curriculum is aligned with the Preschool Massachusetts Frameworks which provides readiness skills for kindergarten.

The program is located at the Shaker Lane School. There are a limited number of tuition spots available for community peers. Tuition costs are determined by the Littleton School Committee. Transportation is the responsibility of the family.
