

Suggested Summer Reading List

For Students Entering 3rd Grade
Russell Street School

As your summer begins, your new 3rd grade teachers have come up with a list of some terrific books we think you would enjoy. Reading every day can be a lot of fun, and also helps you become a better reader! We encourage you to read anything you are interested in: books, magazines, newspapers, jokes, etc. The list below is a great place to start if you need some ideas. These are just suggestions; there is no project or activity to be done with the books. We want you to have fun and read during the summer. Have a great vacation. We can't wait to see you in September!

Sincerely,

The 3rd Grade Teachers
