

Dear 2019-2020 Fourth Grade Parents and Guardians,

Each year parents ask what supplies children should have for the start of the school year. To provide consistency across the grade level, we have developed a list of materials that children will need for fourth grade at the start of the school year.

We hope that the early notice will allow you to take advantage of sales and perhaps share value packages with friends and neighbors. Perhaps many of the supplies your child brought back from third grade may be in good shape to use in fourth grade. As always, if students are not able to bring their own materials, materials will continue to be supplied by the school.

Thank you for your support!

Sincerely,

*Fourth Grade Team*
