

Dear 2020/2021 third grade parents,

Often parents ask what items they should purchase for their children for the start of the year. To provide consistency across the grade level we have developed a list of materials that children will need for third grade at the start of the school year. As always, if students are not able to bring their own materials, they will continue to be supplied by the school. Thank you in advance for your understanding.

Sincerely,
The Grade Three Team

A note for students enrolled in hybrid learning:

Some supplies, like glue sticks, pencils, pencil erasers, whiteboard markers, and highlighters, can easily be split between home and school.

For the rest of the student supplies, we recommend that you either:

1. Create a traveling school supply kit:

Put markers, crayons, colored pencils, scissors, Sharpies, sticky notes, and whiteboard eraser in a zippered pouch for the student to carry back and forth between school and home.

OR

2. Provide duplicates of the items listed so that students will have a set at home and a set in school.
