

Dear 2020-2021 Fourth Grade Parents and Guardians,

Each year parents ask what supplies children should have for the start of the school year. To provide consistency across the grade level, we have developed a list of materials that children will need for fourth grade at the start of the school year.

We hope that this list enables students to be successful both at home for remote learning and/or in the classroom. As an example, the larger sized binder will be able to fit multiple folders, a larger notebook, their agenda book, etc. Perhaps many of the supplies your child brought back from third grade may be in good shape to use in fourth grade. As always, if students are not able to bring their own materials, materials will continue to be supplied by the school.

Thank you for your support!

Sincerely,

Fourth Grade Team
