

August 2020

Dear Parents and Guardians,

Welcome to the fifth grade! To provide consistency across our grade level the 5th grade team has developed a list of materials that children will need at the start of the school year for in-school and at-home learning. We will be organizing the binder supplies on the first day of school, so please have the supplies for September 16th. Please note, NOT all supplies need to be brand new. Some of your child's materials from the previous years may be in good enough condition to be used again (reuse and recycle!).

As always, if a student is not able to bring materials, they will be supplied by the school. The school will continue to supply each student an assignment book.

We appreciate your support in ensuring your child will have the following list of essential supplies to help make his/her experience in fifth grade a successful one. We look forward to an exciting school year!

Sincerely,

The fifth grade teachers

List for fifth grade students to bring on the first day of school:

- Binder to be brought back and forth:
 - (1) 3-inch three-ring binder (with pocket on inside cover)
 - (1) spiral-bound five-subject notebook
 - (1) two-pocket folder with 3 hole punch
