

Littleton Public Schools
2021 Bus Pass Procedures and Bus Loading Procedures

Bus Passes will be distributed through the School directly to those students that registered for the bus. If a fee was required and no payment has been received, we did not consider that child to be registered as no payment was made. Students will have assigned seat numbers, and must sit on those assigned seats.

On the first day of school, all bus drivers will have a list of students assigned to that bus for that given bus route. If a student is not on the list of allowed students on that bus, he/she will not be allowed on the bus. We cannot allow unregistered students on the bus as that may prematurely fill the allocated bus seats, and may fill the bus before all registered students board the bus. We cannot have more than 1 student per seat (unless from the same family) and a maximum of 28 students per bus per DESE Guidelines

Bus Routes are available on the Littleton Public schools Web Page

PLEASE NOTE: On each School Route List, there is a start time listed for Buses for that school. For instance, Buses leave for MS/HS Bus Routes at 6:30 am. You will need to estimate an approximate time to have students out to the bus stop. We strongly suggest that students be at the bus stop at least 15 minutes prior to the expected stop arrival time to allow for flexibility in traffic, weather and other street conditions which the bus may encounter. After the first week or so, the time of arrival at each stop should be pretty well established and you can adjust student schedules for getting out to the Bus Stop. We still encourage students to be at the bus stop 10 minutes prior to the expected time.

Bus Passes will be distributed through the schools directly to the Students.

- **All students riding a bus MUST wear a face mask at all times while on the bus.**
- **When boarding the bus, Students should go all the way to the back of the bus, take the seat number that has been assigned to them.**
- **Seats are marked in a zig-zag pattern to maximize social distancing.**
- **Students from the same household may sit two to a seat.**
- **Once seated, Students cannot change seats.**
