

Exciting Food Service News!!

Weekend Meals for all Students! Effective the week of November 30th, all students can order and receive meals for Fridays, Saturdays and Sundays, for the remainder of the school year, at **NO COST** to families. This is **in addition to** meals already provided during the regular school week! We are excited to be able to offer these additional meals to all in-person learners, as well as students learning remotely. Weekend meals will be ready to pick up on Thursdays during our regular meal pick up times at both schools and will be pre-packaged for your convenience. Weekend meals for students attending the Rec Program during our remote post-holiday sessions will be delivered to the Rec Program on Thursday afternoons. **Please be sure to take advantage of this new program!** If you have any questions, please reach out to Linda Hopey, Food Service Director at lhopey@newmarket.k12.nh.us.

Information regarding Ordering Meals During Remote Periods after Holidays

As we begin our planned remote learning sessions after holiday and vacation breaks, we are excited to be able to provide meals to all students, regardless of where they are learning! Our fabulous staff members have worked hard to develop enhancements to our food service programs and ordering forms that will allow us to better serve students and families during these remote sessions as follows:

1. Meals can be ordered on our website in the food service link [Newmarket School District Food Service Link](#)
2. Please select the order form that corresponds to the school that your child attends.

3. Please select the location in which your child is learning during our remote session. During our remote session, we will have students learning in three locations:
 - Targeted Learner/In-Person
 - Remote Learning-Pick up Meals
 - Rec Program
4. Meals will be delivered to students learning in person and learning at the Rec Program. Remote students may pick up meals between 11:00 am and 12:30 pm at both schools. Junior High and High School Students will pick up meals at the Jr/Sr High Main entrance. Elementary meals will be served from the Elementary rear entrance.
