Dear Parents/Guardians:

Great news! The USDA has extended CARES Act Funds to cover ALL students' lunch and breakfast costs from Sept. 1 through Dec. 31 (unless funds are depleted sooner). This means that your students will not be charged for lunch or breakfast starting Sept. 1, 2020.

We will be crediting back your students' lunch account if your student is on paid or reduced lunches. These funds will remain in their accounts and be utilized after this program ends and not be refunded. If you paid within the past few days, please contact Lanette at 402-862-2151 and if she has not deposited the funds, she can return them to you.

We are making this program available to all currently enrolled HTRS students. This will not change the way our breakfast and lunch is served. You will simply not be charged for it.

If you have any questions, please do not hesitate to contact the school.

Thank you for all you do for your students!

Sherri L. Edmundson
