

In addition to policy, the Board will advance its governance philosophy and District functioning through the articulation of District annual goals. These goals shall be consistent with the District's vision and mission, and be measurable in order to facilitate regular monitoring and evaluation. These goals will take three forms:

1. The Board and Superintendent will work collaboratively to develop annual goals for the District (related to Strategic Plan);
2. The Board and Superintendent will work collaboratively to develop annual personal performance and/or development goals for the Superintendent (related to Superintendent evaluation);
3. The Board will develop annual development goals for itself (related to Board self-evaluation).
