

The School Board delegates executive powers to the Superintendent for the management of the District and its schools within Board policies. Board members shall refrain from involving themselves in administrative matters. Individual Board members with questions, data needs, constituent complaints, or other issues of administrative concern will direct these issues to the Superintendent. If the issues of concern are regarding agenda items of a future Board meeting, it is the individual Board member's duty to address said issues with the Superintendent before the Board meeting. If needed, the Superintendent shall bring these issues to the whole Board for possible action.
