

The School Board has established energy conservation as a priority of the Altoona School District. The Board recognizes that sustainable energy consumption and education about energy conservation are in the best interest of society, as well as our local community.

The energy conservation program in the Altoona School District shall be organized to provide comprehensive energy operation guidelines, practices, and procedures that minimize the use of all forms of energy and natural resources in the District's facilities. In addition, educational initiatives shall foster an awareness of energy consumption and an appreciation for energy conservation.

It shall be the responsibility of each District employee and student to actively participate in conservation efforts in order to reduce consumption to levels prescribed by state, federal, and local guidelines. The Superintendent, or his/her designee, shall implement, direct, monitor, evaluate, and report District energy conservation efforts to the School Board.
