

Naming facilities or parts of facilities is the responsibility and prerogative of the School Board. All naming decisions will be consistent with the vision/mission, and goals of the School District of Altoona.

Two circumstances shall generally authorize a naming privilege:

1. Naming in recognition of a monetary contribution may be granted at the discretion of, and as approved by, the School Board in recognition of persons or entities, who provide a substantial amount.
2. Naming in recognition of distinguished service may be granted at the discretion of, and as approved by, the School Board in recognition of persons or entities in honor of their extraordinary service or leadership, contributions in education, humanity, the school district or the community, or on the basis of their status as a person of historical significance.

The Superintendent shall prepare the rules and regulations which will facilitate the school board's implementation of this policy.
