

At Altoona Elementary School we will...

Engage

students by:

Providing choice in individualized learning opportunities

Creating a welcoming and caring environment

Equip

students by:

Creating academically, socially, and mentally self-regulated students

Providing real world activities

Encouraging higher level thinking skills

Providing necessary tools, materials, and technology

Empower

students by:

Celebrating success and opportunities for growth from failures

Guiding students to take ownership of their learning

Developing independent, confident students and citizens

*School District of Altoona
Offering Large School
Opportunities with a
Small School Approach*
