Hazing

PHILOSOPHY:

It is the philosophy of the RSU #16 School Board that hazing is injurious to students and will not be tolerated by any school department employees.

POLICY:

Maine statute defines injurious hazing as “any action or situation, including harassing behavior that recklessly or intentionally endangers the mental or physical health of any school personnel or a student enrolled in a public school”.

“Harassing behavior” includes acts of intimidation and any other conduct that recklessly or intentionally endangers the mental or physical health of a student or staff member.

“Acts of intimidation” include extortion, menacing, direct or indirect threats of violence, incidents of violence, bullying, statements or taunting of a malicious and/or derogatory nature that recklessly or intentionally endanger the mental or physical health of another person, and property damage or theft.

No administrator, faculty member, or other employee of the school unit shall encourage, permit, condone, or tolerate injurious hazing activities. No student, including leaders of students’ organizations, shall plan, encourage, or engage in injurious hazing activities.

Students who violate this policy may be subject to disciplinary action which may include suspension, expulsions, or other appropriate measures. Administrators, professional staff, and all other employees who violate this policy may be subject to disciplinary action up to and including dismissal.

In the case of an organization affiliated with this School unit that authorizes hazing, penalties may include rescission of permission for that organization to operate on school property or to receive any other benefit of affiliation with the school unit.

Persons not associated with this school unit who fail to abide by this policy may be subject to ejection from school property and/or other measures as may be available under the law.

These penalties shall be in addition to any civil or criminal penalties to which the violator or organization may be subject.

The Superintendent/designee shall be responsible for administering this policy. In the event that an individual or organization disagrees with an action – or lack of action – on the part of the Superintendent/designee as he/she carries out the provisions of this policy, that individual or organization may appeal to the School board. The ruling of the School board with respect to the provisions of this policy shall be final.
