STUDENT USE OF CELL PHONES AND OTHER ELECTRONIC DEVICES

The Board recognizes that many students possess cell phones and other electronic devices. These devices may not be used in any manner that disrupts the instructional process or violates Board policies or school rules.

RSU 16 shall not be responsible for the loss, theft or damage to cell phones or other electronic devices that students bring with them to school or school activities or use on school transportation.

The following provisions apply to student use of cell phones and other electronic devices:

- A. Students are prohibited from using privately-owned, personal electronic devices including, but not limited to cell phones, “smart phones,” electronic devices, MP3 players, handheld computers/PDAs, and electronic games at school or at school activities except when the teacher or building principal authorizes use for a specific educational, health or safety purpose. School administrators may designate appropriate times and places during which electronic devices and other listening devices may be used (e.g., during lunch periods, study halls, or on school buses traveling to school activities).
- B. Student use of cameras, *and other recording devices*, is strictly prohibited in locker rooms, bathrooms, and other places where privacy is generally expected. In all other school locations, permission must be granted before photographing/videoing/recording another person during the school day and at school sponsored events.
- C. The use of a cell phone or other electronic device in any manner that violates Board policy or school rules is prohibited. This includes, but is not limited to, harassment, cheating and violations of the student code of conduct. If a Board policy or school rule is violated, the teacher or school administrator may confiscate the device for the remainder of the school day. Student cell phones and other electronic devices may be subject to search if there is reasonable suspicion of a violation.
- D. Students who violate Board policy or school rules will be subject to disciplinary consequences which may include:
 1. Confiscation of the device until the end of the school day;
 2. A conference with the student’s parent/guardian;
 3. Exclusion of the device from school for an extended period of time;
 4. Penalties up to suspension or expulsion from school, depending upon the nature and circumstances of the violation and the student’s prior disciplinary record; and
 5. Referral to law enforcement.

The Superintendent/designee may develop additional rules to implement this policy. The policy and rules will be communicated to students and parents through the student handbook and/or the student code of conduct.
