RSU #16 Facility Use Guidelines

1. Groups must provide supervision.
2. For events of 100 or more people, the Police and Fire Departments must be notified by organizer of this event.
3. Peanuts/nut products are not to be served or consumed in the building by outside groups. Please be sure that your guests understand this policy. It is your responsibility that this information is communicated to the non-staff and student participants in your group.
4. Parking of participants' and/or spectators' vehicles shall be in designated parking areas only. Non-district vehicles are not allowed on the fields at any time without prior approval from the facilities manager, athletic director or building principal. The only exceptions will be emergency vehicles in emergency situations.
5. Field use may be denied due to inclement weather or field conditions.
6. For events of 100 or more people, the Police and Fire Departments must be notified by organizer of this event.

Fields and Track:
1. Groups using the baseball and softball fields will rake/drag the home plate area and pitcher's area, as well as the area of each base at the conclusion of use.
2. Mowing and trimming will be done by district personnel only.
3. Repair costs will be charged for any damage to the fields, such as holes in the outfield or on deck circles, broken benches or trash left behind.
4. The lining of fields will be done by district personnel. The exception to this will be when arrangements have been made with the Facilities Manager or the Co-Curricular Director.
5. All areas shall be free of trash at the conclusion of the event.
6. Schools and fields are alcohol and tobacco free areas. Possession of alcohol or use of alcohol or tobacco are prohibited.
7. No pets are allowed on school property.
8. Equipment such as goals, benches, and bleachers, etc. are not to be relocated without prior approval.
9. Competitive areas such as long jump, discus, shot put, and high jump are for intended use only. Areas such as long jump pits are not to be used as play areas. High jump and pole vault pits are not to be used except for their intended use.
10. Skateboards, bicycles, strollers, in-line skates or other wheeled items are prohibited from the track area.

Gym Use:
1. Proper footwear must be worn when using the gymnasium. Black soled shoes, boots or cleats are prohibited when playing or practicing on the gym floor.
2. Scoreboards may only be used with prior permission from the school.
3. Bleachers and backboards may only be moved by school personnel.
4. Locker rooms may not be used unless prior approval has been granted.
5. The gym floor shall be swept and free of dust, dirt and debris at the conclusion of the event.
6. Exterior doors will remain closed for the duration of the activity/event. Doors are never to be propped open, as this results in a loss of heat and potentially compromises building security.

Auditorium Use:
1. No food or beverages are allowed in the auditorium, at any time.
2. School personnel must be on hand whenever lighting and sound equipment are in use.
