STEP #1

Criminal history record checks on educational personnel

All employees of school systems and persons employed by others on behalf of school systems who are not certified or authorized will be required to obtain a Criminal History Record Check (CHRC) **approval** from the Department of Education based on fingerprints. Approval is not intended to reflect the individual's qualifications or ability to perform the job assigned. All school personnel requiring a Criminal History Record Check approval will be issued a temporary approval card valid for 8 weeks upon submission of an approval application and \$15/\$39 to the Certification Office. In order to continue employment in an approval category after the 8-week period, the individual must be fingerprinted at an approved fingerprint site during the 8-week temporary approval period. Once the Certification Office receives the criminal history record information and clears the application, a 5-year card will be issued.

You must have your fingerprints taken at a Maine approved fingerprint site. Fingerprints taken for other purposes and at other places (such as your local police station) will not be accepted.

To receive an approval all of the below steps need to be completed: This is a **three step** process.....

1. Register on line at <http://www.identogo.com>. If you do not register, you will not be able to have your fingerprints taken. There is a one-time **\$55.00** fee for this process.
2. Take your confirmation number (received after registration) and a picture ID (a driver's license or Maine State ID is preferred) to the fingerprint site.
3. **After you have been fingerprinted, send the attached approval/renewal application to the Department of Education** along with a \$15.00 **non-refundable** fee. Make check payable to: Treasurer State of Maine.
 - If this is your **first** time being fingerprinted, **the cost is \$15.00 to the State.**
 - If you have been fingerprinted and they have expired and you complete the attached application and send to the State **within 30 days of your current expiration, the cost is \$15.00.**
 - If your expiration **exceeds the 30 days of your current expiration, the total cost is \$39.00.**
4. **If Step 3 above is not completed, your fingerprinting will NOT be processed, delaying employment here at RSU #16.**

From the fingerprint cards, state and federal criminal history record checks will be conducted. The results of the state and federal criminal history record checks will be forwarded to the Maine Department of Education to be used for the issuance or denial of approvals. This information is confidential and cannot be shared with a school system, professional organization such as the Maine Education Association or anyone else. There will be procedures in place by which an individual may access the information received by the Department of Education, but no one else may have access to this information. The Maine State Bureau of Identification will retain the fingerprints in an electronic civil file to be used for renewal purposes.

If you have applied for the CHRC approval and if you are eligible, you will receive your approval card after we receive the results of the criminal history record check from the FBI and the Maine State Police. However, additional time is needed to review criminal conviction information.

If you are not eligible, you will receive notification in writing.

You must **COMPLETE STEPS 1, 2 & 3** in order to get your fingerprint status current.
