

RSU 16 School Board
Operations Report
Craig Worth, Director of Operations
April 2018

TRANSPORTATION

Just an FYI - Tom Kelly attended the annual East Coast transportation conference the week of March 26th. He will provide a report of what he learned in next month's Operations report to the School Board.

SCHOOL RESOURCE OFFICER

I have applied for an ORI number from the Department of Justice. Once I have that number, we can start the COPS grant process for a resource officer for the PRHS/WMS. Chief Deputy Gagne of the Androscoggin County Sheriff's Department is working to identify the cost for this position.

FACILITIES

Hopefully, winter has passed and the activities of spring preparations will begin. Planning has begun to sweep and clean catch basin of winter sand in the parking areas and walkway around the schools over April vacation. As the snow retreats from the athletic fields, plans are being readied to insure the fields are in a playable condition for the teams.
