

# Transportation Update Tom Kelley, Transportation Director

---

September, 2017

## Staff

- 2 bus monitor positions open- advertising has been on-going
- Still a need for driver substitutes - advertising has been on-going

## Professional Development

- On-going what is???specific

## Fleet Update

- 2 new buses have been delivered and will be in service in the upcoming weeks. Waiting for 2 way radio and camera installations.????? More specific
- Out-of-district and Homeless services are still necessary and always changing.
- Fuel prices are climbing. More specific - budgeted for this??

## Bus Garage

- Having 2 mechanics, we have not had to send out any work to outside services.
- Space is still of a concern.

## Summer 2017

- In June, 3 out-of-service buses that were put out for bid have been sold.
- Transitioned to new routing software provided to the RSU for free by the state. Went live in July and posted routes on the website August 19<sup>th</sup>.
- Had the State inspection of school buses - All buses 100% passed.
- August 22<sup>nd</sup> the school bus drivers, bus monitors and van's driver's unionized with the Teamsters. We have not heard back from anyone representing them.
