

**RSU #16 Elementary Principals' Report
December 2018**

RSU #16 Elementary School News: We have dedicated the last two Wednesday's professional development time into constructing student learning goals with teachers as part of our teacher evaluation system. We are feeling pretty good about where we are at this point, and will revisit the goals as they are completed.

Individual School News:

--------------------------	----------------------------------	--------------------------------

Data point of the month:

-At the end of November, we had 296 student enrolled at ESS.

-Our daily average attendance for November was 96.92%

-Our Kindergarten classes had the highest average attendance for the month of November with 98.17%, followed by 6th grade with 97.5%, and 5th grade 97.13%.

-We had 142 students who had perfect attendance in the month of November.

Highlights of the past Month:

The students at ESS earned their first whole-school reward as part of our school-wide PBIS. The student were able to paint special rocks that were a reflection of their unique personalities and place them around the school.

Sixth graders getting ready to leave for their math meet.

We had five sixth grade students participate in their first regional math team competition at Whittier Middle School.

Data point of the month:

-Average of 3.12 ODRs per day in November (National Average is 1.16)

- total referrals 53(14 majors/39 minors)

-89% of students received no ODRs for the month of November. (This shows that PBIS is working at the Tier 1 Level.)

Highlights of the past Month:

In November, the Tri-County Optimist Club recognized MCS 6th grader, Laney Paradis! We are very proud of Laney!

Thanks to the Minot Community Club, students got to experience a visit from a Planetarium! What a great opportunity!

Mrs. Toothaker received her Androscoggin County Teacher of the Year banner which is now proudly hung in the MCS gymnasium.

We had our November Mustang Pride

Data point of the month:

In October we had 192 office referrals for student behavior, an average of 9 per day. In November we dropped that number to just 64! Yes, we had quite a few days off, but that still is just an average of 4 per day!

Highlights of the past Month:

We received an anonymous donation of \$1,000 to help us provide gifts for students on our Giving Tree. We are supporting 30 students from multiple families this Christmas, and as on today (December 3) there are just four tags, which represent a student want or need, remaining on the tree in our lobby. We are so grateful for such amazing community support.

Our students are getting very close to earning the next school-wide reward, which is pajama day! Positive behaviors pay off!

Staff Professional Development:

We have revamped our RTI system to help us better track all students and all interventions taking place in our school. We are pretty excited about the system, and will be sharing it with the whole staff on December 5.

We could really use...
