Dear Parents and Guardians of RSU 16 Students,

As the 2019/2020 school year approaches, the nursing staff has reviewed all student immunization records to determine compliance with the Department of Education requirements to attend public school.

Your student's record shows we do not have current documentation on file. Please contact your healthcare provider and forward a copy of the documentation to the school. A record of immunization or an immunization exemption form will need to be on file at your child's school by **Thursday, August 15, 2019.**

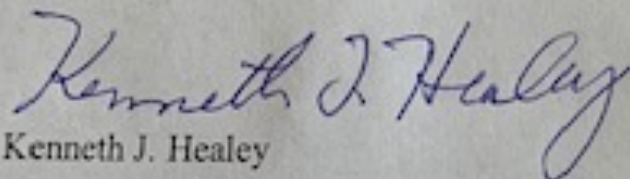

Any student who does not have a record of immunization or an exemption on file by that date, their name will be forwarded to the building Principals and Transportation Department. Students will not be picked up for school or allowed to attend school until such paperwork has been received.

We thank you for your prompt attention to this matter.

Sincerely,
