

## SPECIAL EDUCATION BOARD REPORT

Holly Day, Director

September 13, 2021

- Current Openings:
  - Poland Community School Social Worker (currently being filled part time by a contracted provider)
  - Ed Techs across the District
- Extended school year services (ESY or “summer school”) was a great success this year. We had great participation from our eligible students and our staff really worked hard to provide learning and supports for our students.
- This summer eight of our school administrators were trained and certified in Safety Care. While we don’t recommend that any of the administrators implement restraints, they all benefited greatly from the de-escalation strategies and now know what a safe restraint looks and feels like.
- We had smooth start to our school year this past week and are so excited to have all of our students back in person five days a week!
