

ACES Club Sponsorship Program 2011-2012

We'd like to invite you to come join our ACES family!

Aventura City of Excellence School (ACES) is excelling in our ninth year and we're incredibly proud of our many successes!

We have consistently ranked as an A school as one of the top high performing schools in the district and State of Florida. We have also won 11 State and National Character Education Awards, an Innovation Award and numerous achievements for our Eco-Literacy Science Garden Curriculum and other innovative programs.

ACES is the first municipal-run K-8 charter school in the county. We have received rave reviews from the media, community, our parents and our close to a 1,000 satisfied students.... our ACES Shining Stars! We are filled to capacity with a waiting list that exceeds 1,000.

We have over 26 exciting special interest clubs in our school and would like to offer your company the opportunity to sponsor one of these clubs for a Tax Deductible donation of \$1,250.

We believe that we have created an outstanding sponsorship benefit package that will give your organization a great deal of recognition and exposure for our club season this year. The sponsor benefits package is attached as well as a list of some of the clubs that are available for sponsorship. We'd be happy to discuss Club options with you personally.

Our ACES families are prime candidates for your growing business.

You're invited to come join our fabulous ACES family. We'd love to have your company as an active member of our school!

Sincerely,

Ms. Julie Alm, Principal
