Julie Alm
Principal

Dear Parents,
National Junior Honor Society will be offering morning math tutoring for students in 4th-8th grade. NJHS students will provide support under the supervision of Mr. Cavagnero.

The morning sessions will commence the **week of October 1st on Monday, Wednesday, and Friday mornings from 7:50 am-8:20 am in Room 8-212.** Students do not need a pass to attend tutoring. However, they must arrive promptly and be prepared with materials or questions they would like to review.

This tutoring is a service for only those students that comply with the student code of conduct while participating.

If you have any questions or concerns, please contact Ms. Del Rosario, NJHS Advisor, by email at sdelrosario@aventuracharter.org

We look forward to your child's participation.

Sincerely,

Ms. Julie Alm
