

NEXPL^{ORE}

Makers Club

Explore, experiment, and create at ACES!

Students interact with fun "Maker Kits" that enhance mechanical, art, and engineering skills, while encouraging them to act as inventors in their own right. Nexplore Makers Club is fully aligned with Next Generation Science Standards, and encourages participants to always explore, experiment, and create!

plus

Students can keep their inventions to share with family and friends!

\$270*
per student
*Material fee included
