Change The World!**

# We Believe

Twin Valley defines a successful student as one who graduates with the academic knowledge, transferable skills, and confidence needed to pursue their aspirations and make a meaningful contribution to society. In order to accomplish this, Twin Valley commits to the growth of every student through:

- High Quality Instruction
- Student Engagement
- Positive School Climate
- Social-emotional Wellness
- Personalized Learning

**We support our students.**  
**We support our teachers.**  
**We support our schools.**

# Work of the Board

## Student Success

We are committed to meeting the needs of all of our students.

## Budget Efficiency

We make thoughtful choices to balance meeting the needs of the students with the needs of the taxpayers; ensuring sustainability.

## Policy

We ensure our policies are up to date and reflect our values.

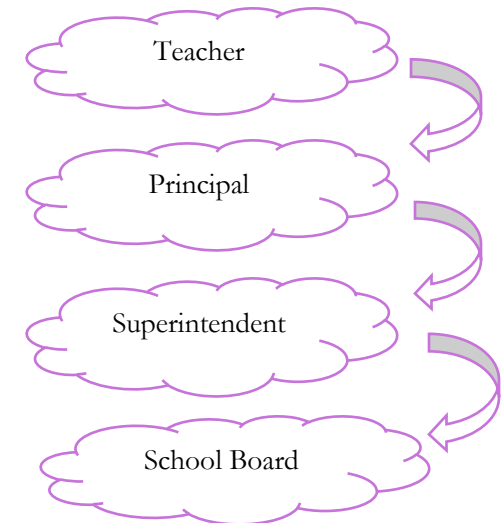

## Community Engagement

We care about what you think regarding our work.

# Chain of Communication

The most effective way to find answers to questions or to resolve concerns is by communicating through the appropriate channels as follows:

Remember, always go first to the person who is most informed about your topic as they can best help you.
