Parking

As we all know, parking during pick-up and drop-off can be a challenge. Please remember to keep the bus lanes clear, even if you are still in the car.

Donations wanted

We are looking for sleds for our students to use at recess. The only request that we have is, no inflatable sleds. Thank You!

Winter Activities

Winter activities are underway and we have had a successful beginning. Thank you to all of the fundraising and volunteers that help make this happen. Our students are having a great time!
