Egg Salad

Midyear report cards will be sent home with your child on Today, January 31st.. If you do not receive a report card, please let your child's teacher know. If you have general feedback on the report card, please let us know that too. Thanks

A message about the Flu

The influenza virus is in our community. The symptoms of the flu can include a sudden onset of fever, body aches, cough, sore throat, headache, and sometimes in children vomiting and diarrhea. The flu virus is spread in droplets when people cough and sneeze. It is important to cover your mouth when coughing and sneezing to help prevent more infections. People with the flu are able to infect others 1 day before getting sick and up to 7 days after symptoms start.

You can decrease your odds of getting the flu by washing your hands frequently, not touching your eyes, mouth and nose, clean hard surfaces and objects, getting the flu vaccine can still be helpful, and staying away from people who are sick. If your child is sick they should stay home to rest and avoid giving the illness to other children. Kids can come back to school when they have not had a fever (without the use of fever reducing medicine) for 24 hours. If you suspect a family member has the flu, call your healthcare provider. There is an antiviral medicine that can reduce the days of illness if given within 48 hours of the start of symptoms. If your child does have a confirmed case of the flu, please notify the school.

Groundhog Day is Feb. 2

Everyone waits to hear what kind of weather to expect according to an old German legend!

Sleepy little groundhog,
Come on out and play!
It's February second,
And it's your special day
Just put on these glasses
And look up toward the Sun
And look up toward the Sun
And you won't have to run.

Music Flash...

Dear Families:

For clarification, here is an update of events and expectations:

The 5th Graders are working on a show called "We Haz Jazz", it will be presented on Friday Morning at 8:05 a.m. on February 14th. Please encourage your child to memorize their lines and music. Some of the music tunes can be found online under WE HAZ JAZZ and I have offered the students CD's if they will listen to them. For this production and the future production of "Jungle Book", I would like to ask the students to wear all black. (Black leggings/pants, black t-shirts) If you don't have solid black t-shirts turn a black shirt "inside out" and see if that works. I will be accessorizing their costumes. I also have some shirts and pants- please let me know if you need assistance.

The production of Jungle Book will be performed by the 3rd, 4th and 5th Graders on Wednesday, April 8th at 6:00 p.m. and Friday, April 17th at 8:05. The students will be asked to wear Black pants/leggings and solid black t-shirts. For this production I would also like to ask donations of any old caps (baseball style). We will be making animal masks out of them so they cannot be returned. There is a box in the Music Room for collection of these caps.

For further clarification Band follows the Wing Schedules, rehearsals and classes coincide with those times. Monday afternoons for flute and saxophone rehearsals and Wednesday Mornings and Afternoons for Percussion. Monday Mornings will now be dedicated to chorus. Any students in 4th and 5th Grades interested in singing please join me at 7:30 on Monday Mornings. These rehearsals will also follow the Wings Schedule and we will start these rehearsals, Monday, January 27th. The chorus and band will be performing with the 5th Graders in We Haz Jazz and have the same attire requirements.

If anyone has any questions, please feel free to contact me.

Mrs. Alma Jane Hart
Twin Valley Elementary
Music/Theatre Arts Teacher
