## Teacher / Staff of the Month

Do you know an outstanding teacher or staff member in your school?

The Deerfield Valley Dental Team would like to recognize our patient's best educators with flowers.

All patients will be encouraged to acknowledge the efforts of teacher and staff members in their schools who have worked to achieve excellence in the classroom by nominating an outstanding educator.

You can nominate a teacher or staff member in our office by filling out a ballot and entering it in the box, or by going to our Facebook Page, Deerfield Valley Dental Care, and posting it there.

On the last day of each month from March to May, two names will be drawn for grades PreK – 12<sup>th</sup>.

Let us show our Educators how much we love them!
