Is it safe?

Yes, the food is being prepared in sanitary conditions by our ServSafe certified food staff, and the bagged meals are being distributed in the gran & go format, once per day, to follow social distancing protocols. We are following appropriate hand washing, sanitizing and glove-wearing procedures. If you do these things, it will help make it safer:

- Wash or sanitize your hands before you get your meal
- Try not to touch your face or other people
- Keep social distancing practices in mind at all sites

How did WSWSU choose the meal distribution sites?

The sites selected were informed by the need to operate the program within locations that qualify under state and federal subsidized meal programs.

If you have any questions about this program, please contact your school.
